Cover image: Left: Tim E. H. Jones' reproduction of the Figure 6, Face D paintings (so designated by Dewdney 1965), based on his 1965 tracings and photographs. The animal in the upper painting is 29.9 cm wide, and the lower animal is 21.8 cm wide (from nose tip on the right to tail tip on the left). Right: Jones' 1965 colour photograph of the two paintings in question. Images courtesy of Tim E. H. Jones, from Jones, this volume.
